AIRPORT

Jacksonville (JAX)

Jacksonville International Airport (JIA) is located approximately 15 minutes from downtown Jacksonville and provides non-stop flights to many major U.S. cities. Commuting from JIA to UF Health Proton Therapy Institute is easy and convenient. Take I-95 South to Exit 353 D at 8th Street and turn left onto 8th Street. Continue until you come to the fourth traffic light (8th Street and Jefferson Street). Turn right onto Jefferson Street and continue for approximately ½ mile. UF Health Proton Therapy Institute is the building with the large glass rotunda at the end of Jefferson Street.

CAR RENTALS

Enterprise

We have an account with Enterprise that allows our patients to rent vehicles at special rates. Our account number is L430190 and is needed to receive these rates. You can also reserve a vehicle online at www.enterprise.com by clicking the "Reservation Service" link on the homepage. To get the discount with online registration, be sure to enter our company three letter code: FLP. This quote does not include insurance. Check your personal drivers' policy for more details.
